NO. 20-06 A1
(Amending AO No. 20-06)**

**IN RE: AMENDMENT TO PARENTING
PROCEDURES IN THE FAMILY AND
UNIFIED CHILDREN'S COURT
DIVISIONS DURING THE
COVID-19 PANDEMIC**

WHEREAS, the World Health Organization has declared the Coronavirus Disease 2019 (COVID-19) a pandemic, the Governor of Florida has declared a state of emergency exists, and the Surgeon General and State Health Officer have declared a public health emergency exists, and the Florida State Courts must take steps to mitigate the effects of COVID-19 on legal proceedings and participants in those legal proceedings; and

WHEREAS, since March 17, 2020, the Florida Supreme Court has issued various Emergency Administrative Orders, which may be found at <https://www.floridasupremecourt.org/Emergency>, which include ordering the cancellation or postponement of all non-essential in-person hearings; and

WHEREAS, to reduce the number of "emergency" filings and hearings until non-essential in-person hearings resume; and

WHEREAS, it is in the best interests of the parties and child(ren) that parents continue to perform their duties and responsibilities of co-parenting, share the additional responsibilities of parenting through this time, and that the parties comply with all orders and Court rules; and

WHEREAS, the Judges assigned to the Family and Unified Children's Court Divisions have developed the following protocols to be used in all family and unified children's court cases in an effort to achieve the above stated goals; and

WHEREAS the procedures set forth in Administrative Order No. 20-06 require revision concerning emergency motions filed regarding time-sharing during the COVID-

19 pandemic to ensure the efficient and proper administration of justice.

NOW THEREFORE, pursuant to the authority vested in me as Chief Judge of the Eleventh Judicial Circuit of Florida, under Rule 2.215 of the Florida Rules of Judicial Administration, Administrative Order 20-06 is hereby **AMENDED** as follows:

1. APPLICATION AND TERM OF THIS ORDER.

a. This Order is intended for all family law matters regarding parental responsibility and time-sharing, to be utilized and complied with immediately in all existing and newly filed Family Division and Unified Children's Court Division cases in Miami-Dade County. However, this Order shall not supersede or modify any existing domestic violence injunction, criminal "no contact order," or dependency order which is in conflict with these provisions.

b. This Order shall remain in full force and effect until further order of the Court, such as the resumption of non-essential in-person hearings, or a subsequent temporary order, whichever shall occur first. This Order does not preclude an individual Judge from modifying or amending this Order in individual cases where the Judge deems necessary. Any part of this Order not changed by a subsequent order shall remain in effect.

2. CONTACT WITH BOTH PARENTS; SHARED PARENTING.

a. The Court expects all parties to continue to adhere to all final judgments, temporary orders, settlement agreements, or other orders of the Court awarding parental responsibility or time-sharing, unless both parents agree in writing to a different time-sharing schedule on a temporary emergency basis.

b. Unless otherwise prohibited by an existing Court Order, each parent is prohibited from unreasonably restricting access of the child(ren) to the other parent.

c. Regular time-sharing as set forth in a Parenting Plan shall continue until the date the School District or Official governing the child(ren)'s school as designated in the parties' Parenting Plan, announces the last day of school at which time summer time-sharing shall begin. If a child's school has ended classes for the 2019-2020 school year, the summer time-sharing schedule incorporated into any current Final Judgment or current Order shall begin immediately.

d. Exchanges that were to take place at a child(ren)'s school or daycare that is not currently open should be arranged between the parents in writing by email, text, or a parenting computer application. In the event the parents cannot agree on an alternate arrangement, a motion shall be filed with the Court to be handled in accordance with any subsequent Administrative Orders related to COVID-19 procedures.

e. In the event the Governor of Florida and/or any other government official(s)

issues an order that people are to remain in their homes and are not allowed to go outside their homes for activities to obtain essentials, such as food, until officials indicate it is safe to leave, time-sharing exchanges will be suspended. This would constitute a shelter in place order. Once the shelter in place order is lifted, which would allow parties to go outside their homes, parties are to resume time-sharing as previously ordered or agreed upon.

f. In the event the Governor of Florida and/or any other government official(s) issues an order that recommends or urges people to stay at home but are allowed to leave their homes to obtain essentials, such as food, time-sharing exchanges shall continue to take place as previously ordered or agreed upon. This type of order would constitute a safer at home order.

g. Video-conferencing and phone contact shall be honored as set forth in the parties' Parenting Plan and should be increased to "regular and consistent contact" to alleviate fears and concerns the child(ren) may be experiencing during this time.

h. This Administrative Order is intended to provide general guidance to parents during the COVID-19 pandemic. Factors, such as the items set forth in paragraph 3(c), should be addressed in an emergency motion. However, nothing in this order prevents an assigned Judge from issuing specific orders based on other factors addressed in individual cases.

3. EMERGENCY MOTIONS AND EXPEDITED HEARINGS.

a. The Court may set a hearing in which the parties will be required to appear remotely. The Court shall follow the procedures of the administering of oaths via remote audio-video communication equipment in accordance with Florida Supreme Court Orders AOSC20-16, AOSC20-17 or any subsequent Administrative Orders adopted thereafter.

b. Parents are strongly cautioned that unreasonable, hurtful, or destructive behavior may be sanctioned by the Court in accordance with Chapter 61 of the Florida Statutes.

c. Either parent may file an emergency motion to modify or suspend time-sharing temporarily due to concerns about an increased risk to a child or others of transmitting COVID-19. The motion should address items such as:

- (1) the current time-sharing arrangements;
- (2) the agreement, order, or judgment setting forth time-sharing provisions;
- (3) who has parental responsibility for medical decisions;
- (4) who resides in each parent's home;
- (5) where each person residing in each parent's home works;
- (6) whether each person's work places them or others at risk for viral

- transmission;
- (7) identify any other individuals who are allowed to frequently enter each parent's home;
 - (8) what precautions the parent is taking in the workplace and home to safeguard against viral transmission;
 - (9) what alternate arrangement can be made to allow meaningful remote contact between parent and child if time-sharing exchanges were to be suspended;
 - (10) swear or affirm under penalties of perjury that the parents attempted to discuss these issues and attempted to reach an agreement before filing any emergency motion (unless communication between the parents is specifically prohibited by court order).

4. COMMUNICATION.

a. The Court expects all parties and attorneys to cooperate in the scheduling of telephonic or electronic hearings, and, when possible also depositions, mediations, and other out-of-court interactions. The parties and attorneys shall comply with existing procedures regarding cancellation of existing appointments. Wherever possible, parties and attorneys shall make good faith efforts to cooperate in converting existing appointments to virtual or telephonic venues.

b. The Court requires parties to discuss any motion before a party sets the motion for a hearing to see if the parties can reach an agreement. This requirement can be fulfilled by personal telephone call or the exchange of emails or texts.
